Name: Qualification: Organisation

Brief description of assistance given:

Please Note: All teams must submit their projects in printed and digital form. Please submit one full set of A4 print-outs (excluding video files, but referencing these where appropriate), as well as a CD, DVD or memory stick containing all relevant files. All elements submitted must be clearly labelled with the school's name and team's name if more than one team entered. Each page of the printed material must display the name of the corresponding file saved on the memory stick/DVD.

Enclosed is a USB stick, CD / DVD (please circle correct option) or other:

The contents of this submission includes:
